

# WELCOME TO **SOSO SRANANG!**

My name is Zackery. I was born in the Netherlands, but my heart and roots are in Suriname. In 2022, I embarked on a new adventure and moved to Dubai, chasing new opportunities and striving to make my dreams come true.

Even in this exciting new city, I often found myself missing the comforting flavors of mama's homemade dishes, the meals that were always full of love, tradition, and warmth. I realized that no restaurant here could offer the taste of home that I longed for.

That's when I decided to create my own place, a little corner where the flavors of Suriname could come alive, just like in mama's kitchen. My mother taught me how to cook, and every dish I prepare carries the love, care, and flavors she passed down.

With every dish we serve, I want to share that feeling of warmth, comfort, and nostalgia, the same feeling I missed so dearly when I was far from home.

Step into a journey through the heart of Suriname, where every dish tells a story. Our menu is filled with homemade recipes, lovingly crafted and inspired by mama's kitchen. From spicy satay to sweet treats, each bite is a taste of tradition, warmth, and the vibrant flavors of our homeland. Sit back, relax, and let us take your taste buds on an unforgettable adventure.

At Soso Sranang, it's more than just food, it's a journey, a memory, and a taste of home.

*Every bite tells a story of home and tradition*
